Mercedes-Benz Classic Online Parts Search

Mercedes-Benz Classic continually produces parts for classic car series, in order to ensure the long-term availability of a full range of such parts. As a result, some 110,000 genuine parts are always available. To render the availability of these genuine parts transparent to everyone, the Classic Online Parts Search has been established as a swift and simple means of presenting the availability of parts with their valid prices in Germany, promotion parts and newly produced parts in a clearly arranged manner. Once the user has found the part is looking for, it can be ordered from any authorised Mercedes-Benz service partner, as the Group's own sales and logistics network guarantees the swift supply of a comprehensive scope of parts worldwide. Or an online order can be done (only for deliveries to Germany). Take a look for yourself: www.mercedes-benz.com/classic-parts

Mercedes-Benz
Classic Magazine 2/2022

Mercedes-Benz Classic Notes 5/2022

Stuttgart. Mercedes-Benz, the world's oldest luxury car manufacturer, has been reinventing the automobile over and over since 1886. As it does so, the brand continually sets new standards while also keeping pace with social change. The history of the company is correspondingly rich in events and stories. Here we have a brief summary of some important anniversaries and milestones from its history.

Mercedes-Benz Simplex
28/32 hp touring car

London-Brighton Run: A journey back in time to the early days of the automobile

- Mercedes-Benz Classic starts with the Mercedes-Benz Simplex 28/32 hp from 1904
- Marcus Breitschwerdt: "Active cultivation of the brand story"
- On 6 November 2022, several hundred vehicles built before 1905 will set off on the route from the British capital to the seaside resort of Brighton.
- More than 120 years ago, the Mercedes-Benz Simplex models were pioneering in automotive engineering
- The "Run" is reminiscent of the 1896 liberalisation of the English speed limits.
